PRODUCT INFORMATION

N-P-K Fertilizer 2-2-2 is an all purpose nutri-stimulant, fertilizer for correction of nitrogen, phosphorus and potassium deficiencies.

DIRECTIONS FOR USE

SHAKE VIGOROUSLY BEFORE USING..

N-P-K Fertilizer 2-2-2 can be applied to all crops including vegetables, fruit trees and vines.

Foliar Application: Use 4 to 5 quarts per acre. Apply to plant foliage to the point of run-off starting at the 4-leaf stage for vegetables. For trees and vines apply at the beginning of bloom; repeat every 10 to 14 days throughout the growing season as needed.

Soil Application: Use 4 to 5 quarts per acre. Drench soil around base of plants and trees or apply through the irrigation system. Begin applications at planting, transplanting or in spring at beginning of root flush. Repeat application every 10 to 14 days throughout the season as needed.

Note: The above recommendations may vary depending upon soil type, climate, and cultural practices. Foliar applications should be supplemented with soil applications. For stressed plants, trees or lawns, you may wish to reduce dosage and increase the frequency of applications for the first few months.

Compatibility: Always conduct a compatibility jar test before mixing **N-P-K Fertilizer 2-2-2** with new products.

WARNING: Perform a phytotoxicity test on a small plot before large-scale application. To lower the risk of phytotoxicity, applications should be made early morning or late evening.

Net Volume:
□ 55 Gallon Drum
